

Sprague Basketball Summer 2022

Parent Letter

Dear Parent/Guardian,

Congratulations! Your son has made the Sprague Basketball program for Summer League 2022. I would like to take this time to introduce myself and give you some pertinent information regarding our Summer basketball season.

My name is Jordan Graneto and I am the Varsity Boys Basketball Coach at Sprague High School. I expect this summer league to be a great opportunity for us as a program to improve and each player to improve individually as well.

The cost for summer league is \$200 (for varsity players attending U of O Team Camp) and \$70 for anyone that is not attending the U of O team camp. Payment is due before the first summer league game and can be made through check (make the check out to Sprague Boys Basketball) or cash. Your son can simply give the check or cash to their head coach anytime before the first game (June 4th).

Being a part of the Sprague summer league program includes: practices, league games, tournaments, the U of O Team Camp (Varsity Only), and shooting workouts throughout the course of July.

We know that there are a lot of things going on during the month of June (Baseball, Football, Vacations, etc.) We are simply asking your son to communicate to their coach when they are going to miss something in advance so that we are aware of the amount of players that we will have at practices and in games. It is crucial this communication occurs in advance.

On the back of this letter is more information regarding each element of summer league. If you go to **spraguembb.com** this will have updated information on schedules, games, our Sprague record board, and much more. Attached to this letter is an up to date schedule, game times that have been released up to this point, and information on the U of O Team Camp. **I need to know right away if your son is planning on attending U of O team camp so that I can get them registered for dorms through the University of Oregon - it is possible that you will need to sign a "medical release form" through the University of Oregon (More information on that soon).**

Summer league is crucial for the development of our basketball program and we hope this is a great summer - thank you for your time.

Sprague Summer League 2022

* Note: Attached to this letter is a detailed summer league schedule. Some game times have not been provided to Coach Graneto yet however, these game times will be provided to players as soon as the information is made available. Players also may be asked to play for more than one team in order to get more games depending on numbers - this will be communicated to your son ASAP.

*** Note: It is your child's responsibility to communicate with the head coach of his team regarding missing events throughout the summer. It is vital that communication occurs in advance!**

Summer League Cost: \$70 No U of O Team Camp (JV/Frosh) or \$200 Varsity attending U of O Team Camp

* Checks can be made out to Sprague Basketball and are due Saturday June 4th (Or before).

This summer can be broken up to 6 different events which will be described and explained below:

1. Salem Summer League Games: These are league games that we will play against teams in the Salem Area for the 2nd - 5th week of summer league. (Times for these games are TBA)

- Varsity Games: Will be on Tuesdays
- JV Games: Will be on Thursdays
- Freshman Games: Will be on Tuesdays

2. Tournaments: Throughout the first two weekends of Summer League we will play against teams from all over the state of Oregon in tournaments at various sites.

3. Junior Oly Youth Basketball Camp: This is a youth camp designed for youth basketball players in the Sprague community. It is expected that each player signs up to help work a morning session or an afternoon session of camp.

4. Practices: This is a great chance for players to get used to what we are trying to accomplish as a basketball program.

5. U of O Team Camp (June 24th - June 26th): This will be a Varsity only event this summer. .

*** Note on U of O Camp:** This is a three day event where we will be staying overnight, getting a chance to bond as a team, play 7 total games, and getting the opportunity to play 1 game on the University of Oregon floor. There will be a U of O camp team meeting that will be required for all players to attend if they wish to go on the trip. The U of O Camp Team Meeting will take place on June 23rd at 4 PM at Crossler Middle School. We will depart the following day - time of departure is TBA.

6. 5K Shot July: Throughout the course of July we will have 12 shooting workouts that will be held at Crossler Middle School (Tuesdays, Wednesdays, and Thursdays) from 11 AM - 12:30. The purpose of these shooting workouts is to improve an individual's ability to shoot the basketball. We will be attempting to make 5,000 shots over the course of the 12 workouts in July while working on correct form and footwork of shooting the basketball.

*** If you have any clarifying questions regarding summer league please do not hesitate to contact Coach Jordan Graneto through phone or email.**
